PROUDLY SUPPORTING

# Giving Back, From the Heart ♥

For 2026, we're incredibly proud to partner with Foodbank Australia as our Charity Partner, supporting their Surplus with Purpose program – a unique initiative that rescues fresh fruit and vegetables directly from the farm gate and delivers them where they're needed most.

With Foodbank teams actively working alongside farmers, growers, processors, and wholesalers across key agricultural regions, this program ensures quality surplus produce that would otherwise go to waste is redirected into communities and schools throughout Australia. The result? More children gaining access to nutritious fresh food that supports their health, wellbeing, and ability to learn.

With the support of Moon & Back, this partnership helps Foodbank Australia expand their reach – increasing the supply of fresh fruit and vegetables delivered through school and community programs nationwide, ensuring kids get access to the very best nutritious food possible.

To help make this impact tangible, we're donating \$1 from every Salad Mate sold directly to Foodbank Australia. It's a simple way to turn everyday choices into something truly meaningful.

We're proud to give back in a way that feels authentic, purposeful, and aligned with what matters most – nourishing kids, supporting communities, and reducing food waste across Australia.

\$1 from every Salad Mate sold feeds School Children in need!

**HELP! I don't know where to start!**

No problem – talk to us. We can offer a training webinar or provide one on one support to curate an order and help you prepare your gifting range.

**How much should I order?**

This can depend on a range of factors. However, if this is your school's first time running a stall, we recommend 1.5 products per student.

**How do I log in and access my school's online account?**

Your online account will show the order history for your school. Simply use the school email address to request your log in code.

If there has been a change of email address, please contact us to update this so we can keep the order history for your school in a singular account.

**Is pricing for the full range or a single item?**

All pricing is for a single item. When we refer to 'assorted designs' or 'assorted colours' this means that you will receive a range of the designs or colours for that product to enable a wider choice. Please note this is while stock lasts.

**Can I choose a single colour / design from the range?**

We can accommodate this on request at times for certain products, please ask us.
