FAQs

HELP! I don't know where to start!

No problem - talk to us. We can offer a training
webinar or provide one on one support to curate an
order and help you prepare your gifting range.

How much should I order?

This can depend on a range of factors. However,
if this is your school's first time running a stall, we
recommend 1.5 products per student.

How do I log in and access my school's online account?

Your online account will show the order history for
your school. Simply use the school email address to
request your log in code.

If there has been a change of email address, please
contact us to update this so we can keep the order
history for your school in a singular account.

Is pricing for the full range or a single item?

All pricing is for a single item. When we refer to
'assorted designs' or 'assorted colours' this means
that you will receive a range of the designs or
colours for that product to enable a wider choice.
Please note this is while stock lasts.

Can I choose a single colour / design from the range?

We can accommodate this on request at times for
certain products, please ask us.

Running a Successful School Fundraising Stall

A Quick & Easy Step-by Step Guide by Moon & Back

At Moon & Back, we believe school fundraising stalls should feel joyful, calm and rewarding - for students, families and volunteers alike.

This guide has been thoughtfully created to support schools every step of the way - offering reassurance, practical advice and proven approaches that take the stress out of fundraising and replace it with confidence.

Whether this is your very first stall or one you run year after year, our goal is simple: to help you create an experience that is well organised, meaningful and genuinely enjoyable for your school community.

JOYFUL
GIVING

AFFORDABILITY
WITH HEART

CELEBRATING
'LITTLE' MOMENTS

EMPOWERING
MEMORIES

Step 1

Start With Purpose

Before planning dates or selecting products, pause and clarify your purpose.

Ask yourselves:

- What are we fundraising for? If at all! It is ok not to fundraise – some do stalls simply for the joy of it.
- What experience do we want students to have?
- How can families and volunteers feel supported?

When your purpose is clear, decisions around pricing, product selection and stall size become much easier. Purpose creates focus – and focus reduces stress.

Enable children to feel **proud, independent,** and **connected** as they choose gifts for their loved ones.

Step 3

Create a comfortable Planning Timeline

School calendars fill up quickly, so lock in and set a stall date as soon as you can.

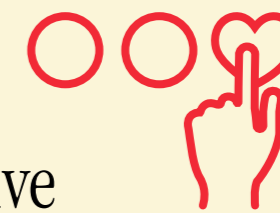

- Publish on the School Calendar
- We recommend beginning planning around 6–8 weeks before your stall date.
- Starting early allows you to move at a comfortable pace and avoids last-minute pressure. Breaking planning into small weekly steps ensures nothing feels rushed or forgotten.

A comfortable timeline helps fundraising feel manageable – even during busy school terms.

Take advantage of our early bird offers, free & bonus gifts!

Step 4

Selecting Gifts Children Love to Give

One of the most important elements of a successful stall is choosing gifts children genuinely feel proud to give.

When selecting your range, look for items that:

- Feel thoughtful and meaningful
- Are age-appropriate and easy to handle
- Offer a balance of practical, sentimental and fun

A curated range helps children feel confident in their choices and makes the stall easier to manage for volunteers. Don't hesitate to ask the kiddos for help! Hand them a catalogue or jump online together to see what they may like!

Chosen with heart, given with love.

Step 2

Form a Small, Supportive Team

You do not need a large committee to run a successful stall.

In fact, stalls often run more smoothly when planning is handled by a small, clearly defined team. Ideally, this includes:

- One main coordinator
- One person overseeing orders and stock
- One person supporting communication and volunteers

Clear roles reduce confusion and help everyone feel confident in what they are responsible for.

A stall brings the community together and lets volunteers see firsthand the joy their efforts bring to students.

Timelines turn good ideas into great events.

Step 5

Market & Advertise your Stall

Spread the word, spread the cheer!

Promoting your stall boosts turnout, increases sales, and helps create a vibrant community event.

Consider:

- Working with the school to use their communication methods via apps, emails etc.
- Use 'Save the date notifications'
- Ensure the Stall is listed in the School Calendar
- Promote the stall on Social Media
- Create Stall Flyers to hand out to students
- Generate excitement amongst student leaders and get them involved in promoting
- How about a presentation at assembly with a few of the items that will be on sale to generate excitement?

A well-promoted stall invites more families to join in, support the cause, and discover the special gifts on offer.

Let the whole school feel the magic!

Step 6

Ordering Stock Without Stress

Ordering stock can feel daunting, but it doesn't need to be.

Helpful guidelines include:

- Using total student numbers as a starting point – We recommend a minimum of 1.5 products per student
- Consider variety, ranging, quality & price
- Mix up the range and keep it fresh
- Allowing a small buffer for popular items
- Avoiding over-ordering niche products
- Consider gift bags / cards
- Confirming delivery timelines early – Can you accept delivery now or later?

Thoughtful ordering helps avoid storage challenges and leftover stock, keeping the experience positive from start to finish.

Plan to sell-out and keep your range fresh each year.

Step 7

Pricing With Care and Confidence

Pricing should feel fair and simple.

Best practice includes:

- Rounded price points that are easy for students to manage
- Clear, visible pricing signage
- Consistent pricing across similar items
- Did you want to sell individual items or bundles?
- What payment methods will you accept? Cash? Prepaid vouchers? Both?

Simple pricing keeps queues moving smoothly and allows students to shop independently with confidence.

Ensure every product is accessible without sacrificing thoughtfulness or quality.

Spark joy from the get-go

Step 10

Communicating With Families

Clear, friendly communication builds excitement and trust.

Families appreciate knowing:

- When the stall is happening
- What price range to expect
- What the fundraising will support

Short, warm reminders close to the stall date help ensure no one misses out.

Think about ways siblings can plan together

Their tiny hands, their biggest smile. It's more than just a gift; it's their way of saying, 'I love you.'

Step 11

Stall Day – Creating Beautiful Moments

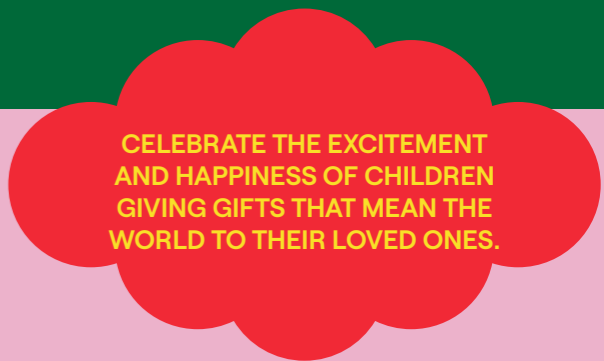

Stall day is about more than sales.

It's about watching children thoughtfully choose gifts, take pride in their independence and feel excited to give something special.

Focus on keeping the pace calm, supporting volunteers and encouraging students as they make their selections. When the atmosphere feels relaxed, everyone enjoys the experience more.

Tag us along the way, on the day, or in the wrap up! We love seeing your stalls and success and enjoy sharing these special moments on our socials too!

CELEBRATE THE EXCITEMENT AND HAPPINESS OF CHILDREN GIVING GIFTS THAT MEAN THE WORLD TO THEIR LOVED ONES.

Step 12

Wrapping Up and Reflecting

Little gifts, big moments.

Once the stall is complete:

- Count funds carefully and record results
- Note which items sold well
- Capture learnings for next time
- Thank volunteers, families and staff

Sharing results and gratitude strengthens your school community and sets the stage for future fundraising success.

Step 9

Creating a Calm and Inviting Stall Setup

Stall layout plays a bigger role than many people realise.

Consider:

- Sourcing Equipment – Trestle Tables, Tablecloths, Aprons and / or Lanyards for Volunteers, Cash Tins, Calculators, Price Tickets / Tags
- Grouping items by price or category
- Keeping popular items front and centre
- Allowing space for queues and supervision
- Use a Class Roster – work with the school to schedule class attendance, ensuring to leave ample time for students to purchase and restocking
- Creating a secure area for cash handling

A tidy, organised setup helps students feel relaxed and excited as they browse.

Welcoming spaces create memorable stalls

Raise the profile of the school volunteer community

Step 8

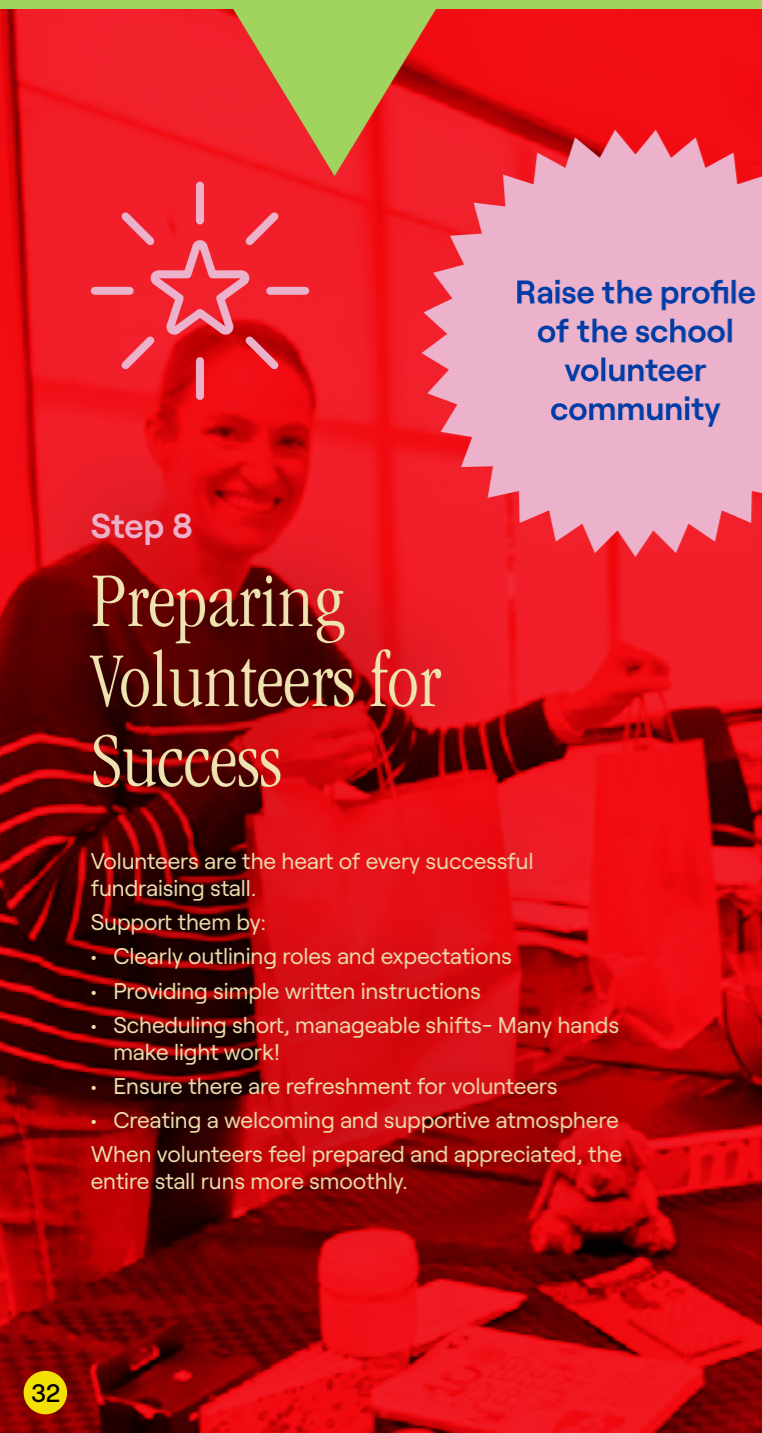

Preparing Volunteers for Success

Volunteers are the heart of every successful fundraising stall.

Support them by:

- Clearly outlining roles and expectations
- Providing simple written instructions
- Scheduling short, manageable shifts- Many hands make light work!
- Ensure there are refreshment for volunteers
- Creating a welcoming and supportive atmosphere

When volunteers feel prepared and appreciated, the entire stall runs more smoothly.

Did You Know?

Moon & Back has proudly partnered with Australian schools as fundraising stall specialists since 2013.

We're experts in what we do – and we're here to support your school every step of the way, from planning to profit.

Our approach is underpinned by our core values:

JOYFUL GIVING

AFFORDABILITY WITH HEART

CELEBRATING 'LITTLE' MOMENTS

EMPOWERING MEMORIES

Not sure where to start?

We've made it easy.

We Can Do the Ordering for You

Want us to take care of the ordering? No problem at all.

We can:

- Create a recommended order based on your student numbers and fundraising goals
- Help you predict your stall profitability
- Assist with recommended sell prices to maximise returns

Less guesswork.
More confidence.
Better results.

Let's Build On Something Incredible

PROUDLY SUPPORTING

As part of Mother's Day 2026, together we raised over \$4,000 for Foodbank Australia, our 2026 charity partner.

A great result – and just the beginning.

For Father's Day, we're continuing our partnership with Foodbank Australia, supporting their Surplus with Purpose program – helping deliver fresh, nutritious food to children and families across Australia.

And here's how you can be part of it:

\$1 from every BBQ Mitt sold will be donated to Foodbank Australia

A simple purchase. A real impact.

Let's make Father's Day even bigger.

Let's support more families.

Let's build on \$4,000 – together with what matters most – **nourishing kids, supporting communities, and reducing food waste across Australia.**
